

PowerSchool Parent Portal Overview

- To view important information about your child, use any Internet-connected computer to go to the address: <http://powerschool.op97.org>
- Log in using the WebID and password provided on the other side of this sheet.
- Navigate using the buttons across the top of the PowerSchool window.

Click here for online help.

Here's a **brief overview of the features** available:

- **Grades and Attendance** – This is the display that shows when you log in. It shows your child's attendance for the past two weeks as well as current grades in all classes as recorded in the teachers' gradebooks. For more information, just click on a blue link as shown below:

Sample gradebook display

Teacher Comments:
Section Description:

Due Date	Category	Assignment	Codes	Score	%	Grd
08/28/2009	work	8 lab stations/Chapter 1/Molecule Lab		25/25	100	A+
08/31/2009	work	Fallacy of Logic questions		20/20	100	A+
09/03/2009	work	Atom Drawings		10/10	100	A+

Grades last updated on 9/10/2009

✔ - Collected,
 ✘ - Late,
 ⏸ - Missing,
 ⏸ - Score is exempt from final grade,
 ⏸ - Assignment is not included in final grade

1 - This final grade may include assignments that are not yet published by the teacher. It may also be a result of special weighting used by the teacher.

- **Grades History** – Grades for prior terms will show here when they become available.
- **Attendance History** – Shows attendance for a longer period of time than the grades and attendance display.
- **Email Notification** – Sign up to receive several kinds of email notices and specify how often you would like to receive them. More than one email address can be provided for this purpose.
- **Teacher Comments** – If teachers have entered specific overall comments about your child in the gradebook, they will appear here. Comments are also available from the Grades and Attendance screen by clicking your child's grade and looking for the comment icon.
- **School Bulletin** – Although not currently in use, this will provide online access to notices of school and district events.
- **Class Registrations** – This is where you and your child can go in the spring to request next year's elective classes.
- **Balance** – Check your child's fee balance here. Food service balances are updated once a week.
- **My Calendars** – A terrific feature for Macintosh users only, this allows you to request that assignments and school events be sent automatically to your computer calendar.
