

Going Green at Longfellow School!

We're planning some exciting changes to reduce waste at Longfellow!

Below are some of the Zero Waste plans that will be implemented throughout the 2009-10 school year:

- **Composting**
- **Electronic Information Packets**
- **Zero Waste Lunches**
- **Increased recycling**
- **Switching from disposable trays to reusable trays for school lunches**
- **Hand dryers in bathrooms**

---- Stay turned to the Longfellow website for news on our plans to eliminate waste at our school.
